

## 5th Annual Meeting of the Japanese Society for Genome Editing: Schedule

June 15 (Mon)		June 16 (Tue)		June 17 (Wed)	
Centennial Hall (1F)	International Conference Hall (2F)	Centennial Hall (1F)	International Conference Hall (2F)	Centennial Hall (1F)	International Conference Hall (2F)
9:00			Registration: 9:00-17:30		Registration: 9:00-17:30
10:00		Session 1 "Single Base Editing" 9:30-10:30	Poster / Exhibition 9:30-17:00	Session 5 "Epigenome Editing" 9:30-10:30	Poster / Exhibition 9:30-13:55
11:00	break (10min)	Session 2 "Novel Platform" 10:40-11:40		Session 6 "ELSI & Patent" 10:40-11:40	
12:00			Luncheon Seminar 1 11:50-12:35		Luncheon Seminar 2 11:50-12:35
13:00			Poster Presentation (Odd Numbers) 12:45-13:45		Poster Presentation (Even Numbers) 12:45-13:45
14:00		General Assembly 13:55-14:25	Poster / Exhibition 9:30-17:00	Plenary session 2 Dr. Edward Rebar 13:55-14:40	
15:00	Registration: 14:30-17:30	Plenary session 1 Dr. Tomoji Mashimo 14:35-15:20		Session 7 "Clinical Application" 14:50-15:50	
16:00	Educational Session 15:00-16:30	Session 3 "Genome Editing in Plant" 15:30-16:30		Session 8 "Towards the Market" 16:00-17:00	
17:00		Session 4 "Various Species" 16:40-17:40		Closing Ceremony	
18:00		(Move to Yoshida cafeteria)			
19:00		Banquet (Yoshida cafeteria) 18:00-20:00			
20:00					
21:00					

※June 15 (Sun) Open Lecture @Mielparque Kyoto 6F 「Kifune」

Session 1	Single Base Editing	Knut Woltjen	Kyoto University
Session 2	Novel Genome Editing Platforms	Kosuke Yusa	Kyoto University
Session 3	Genome Editing in Plants	Ryuichi Nishihama	Kyoto University
Session 4	Genome Editing in Various species	Arata Honda / Masato Kinoshita	Kyoto University
Session 5	Epigenome Editing and Transcriptional Control	Knut Woltjen	Kyoto University
Session 6	Regulations, Patents, and Ethics of Genome Editing	Masato Kinoshita	Kyoto University
Session 7	Clinical Applications of Genome Editing	Akitsu Hotta	Kyoto University
Session 8	Genome Editing Towards the Market	Masato Kinoshita	Kyoto University

\*Tentative Schedule as of January, 2020
