- I don't have any income nor receive any scholarships. I find difficulties coming up with the necessary money to attend the meeting.
- I am not a DC of Japan Society for the Promotion of Science (JSPS), an awardee of Support for Pioneering Research Initiated by the Next Generation, nor a fellow researcher at RIKEN or iFReC. I am not receiving any support from my institution or foundations.
- I am not an awardee of JSI "Kibo" project: Doctoral course support program.
- I am not receiving any travel support from my laboratory or any foundations to attend this meeting.

Recommendation from supervisor

You, the applicant's supervisor, are kindly requested to make sure that the applicant is having financial difficulties to attend the meeting.

Please explain why your laboratory is not able to provide travel support with her/him.

*The meeting budget is limited, we would like to ask you to avoid your students' applying this travel grant as much as possible if your laboratory has received a certain research funding such as Scientific Research B or higher, Grant-in-Aid for Transformative Research Areas, or AMED grant.
