

December 10

Venue			Room No.	capacity	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21
2F	Grand Hall	Room A	T1230			OT01	Symposium 01 Physiological and pathological roles of Innate-like T cells Organizer : Motoko Kimura					Luncheon Seminar01		Afternoon Seminar		Workshop 01 T cells 01		Workshop 08 T cells 02		19:00-21:00 Welcome Dinner@SORANIWA											
	Medium Hall	Room B	T693			OT02	Symposium 02 Cutting-edge technologies uncovering the immune system and disease mechanisms Organizer : Yasuhiro Murakawa					Luncheon Seminar02		12:5013:50 Workshop 02 Tumor immunity 01		Workshop 09 Tumor immunity 02															
	Small Hall	Room C	T160			OT03	Symposium 03 New cancer immunotherapy based on immunosuppression in the tumor microenvironment Organizer : Hiroyoshi Nishikawa					Luncheon Seminar03				Workshop 03 Hematopoiesis and Immune Environment 01		Workshop 10 Hematopoiesis and Immune Environment 02					Live/Video Event								
4F	407	Room D	T180			OT04	Symposium 04 The Physiology and Pathology of Human T Cell Aging: Toward Regulation and Regeneration Organizer : Yoko Hamazaki					Luncheon Seminar04				Workshop 04 Immune diseases 01		Workshop 11 Cytokines and chemokines					Evening Seminar01								
	408	Room E	T180			OT05	Symposium 05 Immune systems on the planet Organizer : Takeshi Nitta					Luncheon Seminar05				Workshop 05 Mucosal-Skin Immunity 01		Workshop 12 Innate immunity 01					Evening Seminar02								
	409	Room F	T180									Luncheon Seminar06				Workshop 06 B cells 01		Workshop 13 B cells 02													
	402-403	Room G	T120									Luncheon Seminar07				Workshop 07 Tolerance and Immune suppression 01		Workshop 14Tolerance and Immune suppression 02													
1F	Exhibition HallAB	Equipment Exhibition	2,720m ²								11:4012:40		Equipment Exhibition					14:4514:55		16:40											
		Poster			Installation	Poster Viewing													16:5017:35		Poster Discussion (Odd No.)	Poster Discussion (Even No.)	Removal								

December 11

Venue		Room No.	capacity	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21
2F	Grand Hall	Room A	T1230			OT06	Symposium 06 Biology related with the Thymus Organizer : Ichiro Taniuchi					Luncheon Seminar08		Afternoon Seminar		Award Ceremony &Lectures		Memorial Session for Prof. Fritz Melchers		Workshop 15 T cells 03		<div>19:00-21:00 Get-together Party @Hotel Monterey Himeji</div>								
	Medium Hall	Room B	T693			OT07	Symposium 07 Decoding Human Immunity in Infectious Diseases Organizer : Hideki Ueno					Luncheon Seminar09		12:50		13:5014:00		15:00		Workshop 16 Tumor immunity 03										
	Small Hall	Room C	T160			OT08	Symposium 08 Innate Immune recognition of nucleic acids and diseases Organizer : Osamu Takeuchi					Luncheon Seminar10									Workshop 17 Allergy 01									
4F	407	Room D	T180			OT09	Symposium 09 New aspects of TCR recognition of antigen-MHC complex Organizer : Hisashi Arase					Luncheon Seminar11									Workshop 18 Immune diseases 02									
	408	Room E	T180			OT10	Symposium 10 Basic and Translational Research on Autoimmune Diseases Organizer : Akio Morinobu					Luncheon Seminar12									Workshop 19 Innate immunity 02									
	409	Room F	T180								Luncheon Seminar13									Workshop 20 Virus infection Bacterial / mycofungal / parasite infection 01										
	402-403	Room G	T120								Luncheon Seminar14									Workshop 21 Mucosal-Skin Immunity 02		18:35								
1F	Exhibition HallAB	Equipment Exhibition	2,720m ²								11:40		12:40		Equipment Exhibition					15:40		16:55		17:05		17:50				
		Poster			Installation	Poster Viewing															Poster Discussion (Odd No.)		Poster Discussion (Even No.)		Removal					

December 12

Venue		Room No.	capacity	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21
2F	Grand Hall	Room A	T1230			OT11	Symposium 11 Current Status and Prospects of Cell Therapy Organizer : Hiroshi Kawamoto					Luncheon Seminar15			Workshop 22 T cells 04															
	Medium Hall	Room B	T693			OT12	Symposium 12 The Allergy Revolution: From Basic Science to Transformative Therapies Organizer : Kenji Kabashima					Luncheon Seminar16			Workshop 23 Tumor immunity 04															
	Small Hall	Room C	T160			OT13	Symposium 13 Inflammation and tissue repair regulated by gut myeloid cell subsets and environmental cues Organizer : Keiji Hirota					Luncheon Seminar17			Workshop 24 Allergy 02															
4F	407	Room D	T180			OT14	Symposium 14 Immune Reaction and Tolerance to Self-Derived Antigens Organizer : Yoshianga Ito					Luncheon Seminar18			Workshop 25 Immune diseases 03															
	408	Room E	T180			OT15	Symposium 15 New trends in vaccination Organizer : Masato Kubo					Luncheon Seminar19			Workshop 26 Innate immunity 03															
	409	Room F	T180									Luncheon Seminar20			Workshop 27 Dendritic cells, macrophages, granulocytes															
	402-403	Room G	T120									Luncheon Seminar21			Workshop 28 Virus infection Bacterial / mycofungal / parasite infection 02															
1F	Exhibition HallAB	Equipment Exhibition	2,720m ²			11:40											12:50		14:05											
		Poster		Installation	Poster Viewing											14:15					15:00
