

December 10

Venue		Room No.	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21
2F	Grand Hall	Room A			OT01	Symposium 01 Physiological and pathological roles of Innate-like T cells Organizer : Motoko Kimura					12:50				13:50		Workshop 01 TCR and co-stimulatory molecules		Workshop 08 CD8+ T cell immunity										
	Medium Hall	Room B			OT02	Symposium 02 Cutting-edge technologies uncovering the immune system and disease mechanisms Organizer : Yasuhiro Murakawa							Afternoon Seminar A01 TOMY DIGITAL BIOLOGY CO., LTD.		Workshop 02 Tumor Immunity - Innate response		Workshop 09 Tumor Immunity - Microenvironment												
	Small Hall	Room C			OT03	Symposium 03 New cancer immunotherapy based on immunosuppression in the tumor microenvironment Organizer : Hiroyoshi Nishikawa					Luncheon Seminar C01 AstraZeneca K.K.				Workshop 03 Hematopoiesis and diseases		Workshop 10 Thymus and lymph nodes												
4F	407	Room D			OT04	Symposium 04 The Physiology and Pathology of Human T Cell Aging: Toward Regulation and Regeneration Organizer : Yoko Hamazaki					Luncheon Seminar T01 Nippon Becton Dickinson Company, Ltd.				Workshop 04 Arthritis and Fibrosis		Workshop 11 Cytokines and Chemokines				Evening Seminar E01 Sanofi K.K./ Regeneron Pharmaceuticals Inc.								
	408	Room E			OT05	Symposium 05 Immune systems on the planet Organizer : Takeshi Nitta					Luncheon Seminar T02 TOMY DIGITAL BIOLOGY CO., LTD.				Workshop 05 Skin and Mucosal Immunity		Workshop 12 Innate inflammation and diseases												
	409	Room F									Luncheon Seminar C02 Otsuka Pharmaceutical Co., Ltd.				Workshop 06 B cell development, activation, and antibody production		Workshop 13 B cell maturation, plasma cell differentiation and function												
	402-403	Room G				11:40					12:40				Workshop 07 Tolerance and Immune Suppression		Workshop 14 Tolerance and Immune suppression		18:20										
1F	Exhibition Hall AB	Equipment Exhibition			Equipment Exhibition					12:50		13:50		14:00		15:15		15:2		16:40		Equipment Exhibition		16:50		17:35			
		Poster		Installation	Poster Viewing							EMBO Poster Clinic		Poster Viewing						Poster Discussion (Odd No.)		Poster Discussion (Even No.)		Removal					

December 11

Venue		Room No.	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21		
2F	Grand Hall	Room A			OT06	Symposium 06 Biology related with the Thymus Organizer : Ichiro Taniuchi					12:50 13:50					Award Ceremony &Lectures		Memorial Session for Prof. Fritz Melchers	Workshop 15 Tissue-specific T cell biology, Organ- dependent Functions and Diseases		19:00-21:00 Get Together Party @"Belvedere", 3F Hotel Monterey Himeji										
	Medium Hall	Room B			OT07	Symposium 07 Decoding Human Immunity in Infectious Diseases Organizer : Hideki Ueno					Luncheon Seminar C03 Pfizer Japan Inc.		Afternoon Seminar A02 Nippon Becton Dickinson Company, Ltd.		14:00		15:00 15:30		Workshop 16 Tumor Immunity - Antigens and receptors												
	Small Hall	Room C			OT08	Symposium 08 Innate Immune recognition of nucleic acids and diseases Organizer : Osamu Takeuchi															Workshop 17 Allergy (I): Orchestrating the Cellular Symphony										
4F	407	Room D			OT09	Symposium 09 New aspects of TCR recognition of antigen- MHC complex Organizer : Hisashi Arase					Luncheon Seminar T03 Beckman Coulter, Inc.												Workshop 18 Organ-specific Immune Diseases								
	408	Room E			OT10	Symposium 10 Basic and Translational Research on Autoimmune Diseases Organizer : Akio Morinobu					Luncheon Seminar T04 10x Genomics Inc.												Workshop 19 Innate immune response by phagocytes								
	409	Room F						Luncheon Seminar C04 argene Japan K.K.												Workshop 20 Viral infections and Immunity											
	402-403	Room G	11:40					12:40															Workshop 21 Gastrointestinal Barrier and Immune Regulation		18:35						
1F	Exhibition Hall AB	Equipment Exhibition			Equipment Exhibition										12:50 13:50		15:40		16:55		Equipment Exhibition		17:05		Equipment Exhibition		17:50				
		Poster		Installation	Poster Viewing					EMBO Poster Clinic		Poster Viewing							Poster Discussion (Odd No.)		Poster Discussion (Even No.)		Remove								

December 12

Venue		Room No.	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21			
2F	Grand Hall	Room A			OT11	Symposium 11 Current Status and Prospects of Cell Therapy Organizer : Hiroshi Kawamoto							Workshop 22 T cell differentiation and function																			
	Medium Hall	Room B			OT12	Symposium 12 The Allergy Revolution: From Basic Science to Transformative Therapies Organizer : Kenji Kabashima							Workshop 23 Tumor Immunity - Therapies																			
	Small Hall	Room C			OT13	Symposium 13 Inflammation and tissue repair regulated by gut myeloid cell subsets and environmental cues Organizer : Keiji Hirota					Luncheon Seminar C05 AstraZeneca K.K.		Workshop 24 Allergy (II): Mastering Disease Control																			
4F	407	Room D			OT14	Symposium 14 Immune Reaction and Tolerance to Self Organizer : Yoshianga Ito					Luncheon Seminar T05 Thermo Fisher Scientific K.K.		Workshop 25 Systemic autoimmunity, Autoinflammation and Immunodeficiency																			
	408	Room E			OT15	Symposium 15 New trends in vaccination Organizer : Masato Kubo					Luncheon Seminar T06 Oryx Japan Corp.		Workshop 26 Cell death and innate lymphocytes																			
	409	Room F									Luncheon Seminar T07 SCRUM Inc.		Workshop 27 Dendritic cells, macrophages, granulocytes																			
	402-403	Room G				11:40					12:40		Workshop 28 Bacterial, Fungal, and Parasitic Infections and Immunity		15:45																	
1F	Exhibition Hall AB	Equipment Exhibition			Equipment Exhibition										11:40		12:40		2:50		14:05		Equipment Exhibition									
		Poster		Installation	Poster Viewing					EMBO Poster Clinic		Poster Viewing			Poster Discussion (Odd No.)	Poster Discussion (Even No.)	Remove
